11 May 1956

File

MEMORANDUM FOR: Chief, Management Staff

FROM : Chief, O&M Staff (DD/P Area)

SUBJECT : DD/P Area Weekly Report for Period 3 May 1956 Through 9 May 1956

1. T/O Proposals Processed: Five (5) T/O proposals were processed and approved. Twenty-six (26) position actions were involved in these T/O actions.

2. T/O Proposals in Process: Six (6) T/O proposals are currently in process. Three (3) of these major DD/P reorganizations involving position actions.

25X9A2

3. MS Project 6-33 Vacuum Tube System: A survey form has been designed which when executed will reflect a quantitative record of cables, dispatches and memorandums received and delivered by hand between components of the DD/P. A letter of instruction to accompany the form has been drafted. The survey period has tentatively been scheduled for the period 21-25 May 1956.

4. MS Project 6-29 DD/P Mail Procedure, KS #2161: Coordination with Security Policy Staff and Physical Security was completed.

5. SE and SA Procedures and Policies: No progress. Analyst has been on sick leave since Monday.

6. Crash Requests from DD/S:

a. Summary of previous studies on world-wide courier system was completed and submitted to the DD/S.

b. Proposed method for control and reporting of 5% of ceiling in training status - Initial discussions within DD/S were held last Monday. At his request a staff study will be presented next Monday for submission to the DDCI.
